Indian Chain Manufacturers

<https://www.indianchainsmfrs.com/>

In order to carve the higher position in the industry, we are a well-known **manufacturer and exporter** of a flawless assortment of **Conveyor and Elevator Chain**. These are famous for their easy usability and long life.

About Us

We, **Indian Chain Manufacturers** from **1985** are actively committed to **manufacturing and exporting** high-quality **Conveyor and Elevator Chain**. Our offered range consists of best grade **Conveyor Chain, Elevator Chain, and Overhead I Beam Conveyors**. These products are designed with the set market norms. In addition to this, our products are appreciated for their features like easy to use, damage resistance, and lightweight.

We are backed by a team of qualified professionals, which works hard to achieve the organizational objective. Our team members are selected on the basis of their experience. Once selected, they are provided with required training. We always believe customer-focused policies in our business deals and try to cater to the client's needs only. Owing to our quality assured conveyor and elevator chain, we have a big client base in this industry. Also, we **export 25%** of products all over the world.

Our mentor **Mr. Karan Nohria** has guided us to be able to reach such heights. His vast industry experience helps us to satisfy the wide range of patrons in an efficient way.
